

- Lists
- volumes you own, are an investigator of,
 - volumes that you are a collaborator of, with access status
 - volumes inherited from PI's (when you're a lab/ group member), with access status

This is Karen Adolph’s dashboard. She is an authorized investigator, sponsored by NYU.

clicking on bar
toggles list of people related to you
on and off

Clicking on a volume highlights people who are on the volume (1) explicitly as collaborators or (2) inherited through her. ***Those who inherited the volume through another data owner won't be visible on your list.**

Icons denoting permission level appear before those highlighted people's names. ****ICONS ARE CURRENTLY PLACEHOLDERS ONLY.**
