

Sample session (2011-01-01)

EDIT STUDY VIEW (view study will only have tags and comments)

TAGS LIST

- Click to toggle on and off.
- 'On' = highlighted in list and shows up in the timeline as its own row.
- Maybe want "own tags" filter, or their own tags always colored differently

ACTION TOOLBAR

- new Comment (always on, because pt)
- new Tag (always on, because pt)
- new Excerpt
- new Record

WHAT ABOUT WHEN PREEXISTING TAG/ETC SELECTED? WHAT BEHAVIOR?

TIMELINE

Tags, comments, records, assets

Deleting and downloading stays with viewer as it is asset specific.

ZOOM IN BUTTON?

The image shows a web browser window with a light blue header bar containing a black triangle icon on the right. The main content area has a white background. At the top left, there is a long horizontal input field. To its right, at the top of the page, is a grey button with a red 'X' icon and the text "Delete". Below the first input field are three lines of text, each preceded by a small square checkbox. The bottom line of text is partially obscured by another long horizontal input field. The bottom half of the browser window is a solid dark grey color.

Sample session (2011-01-01)

The diagram shows a vertical line on a light gray background with horizontal white lines. At the top of the line is a green dot. At the bottom of the line is a yellow rectangle with a black border. The line extends from the top of the rectangle to the green dot.

The diagram illustrates a three-column layout. At the top, there is a teal header bar. Below this bar, the layout is divided into three vertical columns. The first column on the left contains a circular icon with a checkmark. The middle column contains a speech bubble icon. The third column on the right contains a person icon. The entire layout is enclosed in a black border.

The diagram illustrates a web browser interface. At the top, there is a teal header bar with a black triangle icon on the right side. The main content area is a large dark gray rectangle. Below this, there is a light gray footer bar. Inside the footer bar, there is a white search bar on the left. To its right, there are three checkboxes, each followed by a label: "Check for updates", "Check for new content", and "Check for new comments". Below these checkboxes, there is another white search bar.
